Dear Monika and Richard,

A hearty congratulations to you and your team: At *Wine & Spirits,* we've selected **Weninger** as a Winery of the Year.

We run more than 9,000 wines past our blind tasting panels and critics each year. Our annual Wineries of the Year list is made up of brands who produce a range of wines that score at the top of their categories. Weninger performed in the top echelon–a great ambassador for the wines of Austria.

We will profile **Weninger as a Winery of the Year** in our 2008 Annual Buying Guide (On sale mid-October); Nicole Drummer, Associate Editor, is also contacting your company with an information request for this piece.

In addition, you are invited to attend our Top 100 event in San Francisco on October 14, where we honor all of our Wineries of the Year. We will be in touch with the appropriate people in your organization regarding participation details. This year, we will celebrate the Top 100 at the Mint Building, one of San Francisco's National Historic Landmarks. We hope that you will join us.

With best wishes from the entire team at *Wine & Spirits,*
